

So, you've started your first job  
as an Illinois Public School  
Superintendent...

## Now What?

The Illinois Association of School Administrators is here to help as you transition into the role of Superintendent. This is an exciting and overwhelming time in your life, and IASA will be with you each step of the way.

We would like to invite you to join the IASA Administrative Team led by Dr. Brent Clark, Executive Director, and Dr. Richard Voltz, Associate Director of Professional Development and Induction/Mentoring Programs at the 2009 New Superintendents Conference on August 4th and 5th. This two day conference will cover a variety of topics from board relations and school finance to technology and personal health.

This is a great opportunity to meet other first year superintendents, gather vital resources, and build a support network for your first year on the job. In addition, participants who complete both days will earn one Administrators' Academy Credit for the 2009-2010 school year.
