MARKETING OPPORTUNITIES

The Illinois Association of School Administrators (IASA) is pleased to announce that we are offering businesses that provide supplies, equipment or services to public schools the opportunity to meet with Illinois school administrators at the IASA Annual Conference. The conference is scheduled September 29–October 1, 2021, at the President Abraham Lincoln Springfield—A DoubleTree by Hilton Hotel, and the BOS Center, in Springfield, Illinois.

Annually, in excess of 650 school administrators, including superintendents, assistant superintendents, professional staff, and professors of educational administration, attend the three-day event. By sponsoring an event, reserving a booth in our marketplace or hosting individual receptions, you have a unique and powerful opportunity to create significant product awareness among your target market.
