

Illinois School Referenda Election Results - November 8, 2022

Results of the November 8, 2022, referenda related to public school districts in Illinois reveal that 15 of the 31 questions, or 48%, were successful and 16 of the 31 questions, or 52%, were defeated. The results of the tax referenda, based on unofficial tallies gathered by an IASA email survey and internet research, are reported in two sections: successful and unsuccessful. The school districts are listed by IASA Region and then by county within the Region; the county is determined by the location of the district's administrative office.
