Marketing Opportunities

The Illinois Association of School Administrators (IASA) is pleased to announce that we are offering businesses that provide supplies, equipment or services to public schools the opportunity to meet with Illinois school administrators at the 2018 IASA Annual Conference. The conference is scheduled September 26–28, 2018, at the President Abraham Lincoln Springfield—A DoubleTree by Hilton Hotel, and the BOS Center in Springfield, Illinois.

Last year, in excess of 650 school administrators, including superintendents, assistant superintendents, professional staff, and professors of educational administration, attended the three-day event. By sponsoring an event, reserving a booth in our marketplace or hosting individual receptions, you have a unique and powerful opportunity to create significant product awareness among your target market.

Marketplace

IASA welcomes any business offering supplies, materials, equipment, programs and services in Illinois to be an exhibitor at our annual conference. Vendors will have the opportunity to display their services from 9 a.m. to 2 p.m. Thursday, September 27. A complimentary lunch will be available in the exhibit hall during exhibit hours.

Registration fees are: \$875 for current IASA School Service Members and \$1,275 for non-members. Additional booths may be rented at rates of \$825 each for members and \$1,225 each for non-members. The registration fee includes up to two representatives. Each additional representative is required to pay the conference registration fee. Additional information on the conference including housing will be sent to the firm's contact listed within this form.

All booths are 10'w x 10'd. The rental fee includes one booth with back and side panels and a one-line identification sign. The rental fee does not include a table or chairs. The exhibit hall is located in the Main Hall of the BOS Center. To be included in the conference program, booths must be reserved no later than August 3, 2018. A list of firms who have reserved a booth prior to August 3, 2018 will be listed in the conference program booklet. Exhibitors will receive a complete list of conference attendees.

Our marketplace is filled with: Architects, Computer Software, Construction Management, Energy Management, Education Programs, Financial Services, Flooring, Insurance, Office Equipment, School Bus Sales, School Information Services, and much more...
