The *Property Tax Code* (35 ILCS 200/18-50) requires the governing authority of each taxing district to file a certified copy of the appropriation and budget ordinance (annual budget) with the county clerk within 30 days of their adoption. An estimate (certified by the chief fiscal officer) of revenues, by source, that the taxing district anticipates it will receive in the following fiscal year must also be filed.

Notice of Employee Non-Renewal - Written notice to employees from the school board must be served 45 days before the end of the school term upon any probationary teacher who is not being re-employed for the following school term and 60 days before the end of the school term for any tenured teacher who is being honorably discharged because of a reduction in staff or discontinuation of a program. Any employee not properly notified is deemed re-employed for the following year. (24-11 and 24-12) *Note:* Often collective bargaining agreements, policies and/or evaluation plans have different notice requirements from that provided in the statute. The employer should be careful to meet all relevant notice requirements.
