Results of the March 18, 2014, referenda related to public school districts in Illinois reveal that 19 of the 48 questions or 40%, were successful and 29 or 60% were defeated. In addition to questions to raise school district tax rates and to issue bonds, there were also questions on the ballot concerning Property Tax Extension Limitation Law (PTELL), District Reorganization, County Sales Tax and Board Member elections. The results of the tax referenda, based on unofficial tallies gathered by an IASA telephone survey and internet research, are reported in two sections: successful and unsuccessful. The school districts are listed by IASA Region and then by county within the Region; the county is determined by the location of the district's administrative office.
